

Has your child received the sacrament of baptism and first communion?
Are you looking for a program for them to continue their faith journey?

Try these two programs:

Light The World

How can your children continue their faith formation after 1st communion?

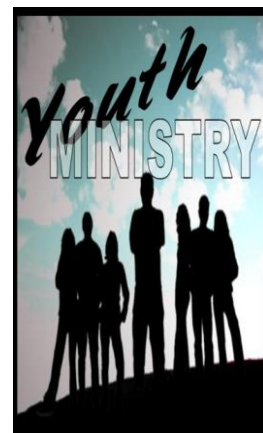

Our Light the World program is specifically developed for children in grades 3rd-5th who have received their 1st communion and are looking to continue their faith journey. Children will grow in their faith through interactive games, bible study and faith sharing.

In The Middle

Our young adolescent youth ministry is open to all public and private school students in 6th, 7th and 8th grade.

Teens meet new friends through a variety of activities and enjoy a cool Christian/Catholic atmosphere. This ministry allows young people to gain a firm faith foundation to stand in the mist of challenging influences and competing "truths" in life. We cover faith "basics" and keep your children wanting to learn more.
