

The kingdom of God

is like a mustard seed
that is the smallest
of all the seeds.
But once it is sown,
it springs up
and becomes
the largest of plants.

GOD'S TIME

We either pay attention to or ignore “clock time” as we play in the summer sun and note the earth’s tilt and the lengthening days. We live by time. We reckon time in seconds and minutes and hours, or we use broader chunks like supertime and summertime. God keeps another sort of time. God speaks to us of “saving time,” that is, the time of salvation. This sense of time is called *kairos*, and this time is always now, always present and available, always revealing, often surprising.

This Sunday’s readings alert us to the reality and the import of God’s time. Ezekiel and the Gospel of Mark remind us that our labor and our plotting and our planning rest in God. For God takes our smallest efforts and makes of them great works. Paul points us to the “harvest” time, urges us to be watchful for its coming, and calls us to recognize that we must spend our time pleasing God. Copyright © J. S. Paluch Co.

JESUS Y LAS PARÁBOLAS.

Las parábolas son un recurso de Jesús para explicar lo que es el Reino de Dios, quiere explicar con situaciones del diario vivir como y que es el Reino de Dios. Pero también cómo debemos comportarnos frente a esa realidad del Reino, es un término tal vez nuevo para el momento y por eso hay muchas parábolas acerca de lo que es o que implica el Reino de Dios. ¿El Reino de Dios es el cielo? ¿es la tierra? ¿Es nuestra casa? ¿La familia? ¿Qué dicen ustedes?

El tiempo ordinario en la liturgia nos invita a fijarnos en lo cotidiano de nuestra fe, en el día a día, en la fidelidad constante que nos pide el Señor a nuestra condición de discípulos, en el compromiso de hacer que su Palabra llegue cada vez más a nuestra vida y la haga más cristiana, más al estilo de Jesús. Esta Palabra es la mejor escuela para aprender de Jesús. Y Jesús enseñaba, sobre todo, con sus parábolas y es ahí donde la gente descubre que el Reino de Dios está en todas partes donde alguien cree, ama, espera, reza, celebra, ayuda etc.

El profeta Ezequiel en la primera lectura. De la rama pequeña de un árbol, plantada de nuevo, Dios va a hacer surgir un futuro de esperanza para el pueblo de Israel, que vive tiempos de crisis. Son imágenes simbólicas que no necesitan muchas explicaciones porque son cotidianas y accesibles para todos.

En la primera parábola, Jesús compara el reino de Dios a una semilla sembrada en la tierra. El sembrador hace su tarea, pero después, mientras él descansa, “la semilla germina y va creciendo, sin que él sepa cómo. La tierra va produciendo la cosecha ella sola. Primero los tallos, luego la espiga, después el grano. Cuando el grano está a punto, se mete la hoz, porque ha llegado la siega”. Es una imagen que invita a confiar en que Dios, después de nuestro trabajo, también hace el suyo, que es el que hace eficaz el nuestro.

En la segunda parábola, Jesús compara el reino de Dios con un grano de mostaza: “al sembrarlo en la tierra es la semilla más pequeña, pero después brota, se hace más alta que las demás hortalizas y echa ramas tan grandes que los pájaros pueden cobijarse y anidar en ellas”. Esta parábola nos hace reflexionar sobre lo pequeño, sobre lo que nosotros pensamos que cuenta poco, o más bien nada. Con eso es con lo que actúa Dios, para confundir a sabios y entendidos. San Pablo decía aquello de que “la fuerza de Dios se manifiesta en mi debilidad”, precisamente para que se vea que es Dios el que actúa. El grano de mostaza que, al ser pequeño, puede ser considerado por muchos como algo despreciable o inútil, es para Dios un grano lleno de vida y de fuerza.

El reino de Dios va creciendo cada día, a día y Dios sigue sembrando en los corazones de muchas personas, la esperanza en un futuro mejor, el deseo de una vida más digna para todos, la espera de la supuesta normalidad después de la pandemia, el tiempo de espera de los padres por su bebé que nacerá, un mundo mejor y más justo para todos, la paz etc.... son las pequeñas semillas de una nueva humanidad. Habrá que estar atento, acoger todo eso, rezar cada una de nuestras acciones, para que verdaderamente sea el reino de Dios el que crezca, para que el fruto que se produzca sea la felicidad para todas las personas, sin distinción. Eso es lo que quiere Dios. Ese es su Reino donde todos gocemos de estar juntos y con Dios Padre.

Bendiciones de Paz y Bien.†

STAY CONNECTED WITH GOD THIS SUMMER

Summer is a wonderful time of year. Let us pray that God will bless us with a summer of peace, fun, and joy. May we emerge from this season more rested to do God's work, more committed to serve God's people, and more in love with our God who created and loves us. HOW TO PRAY WORKSHOP FOR TEENS

The essential habit for spiritual life is daily prayer that includes not only speaking to God but listening and experiencing God's love and presence. For years now, Father Paul has led a workshop on how to pray for adults. Inspired by the book "I Heard God Laugh", it occurred to him that this is a message and teaching our Youth can benefit from too! The sooner one begins a prayer life, the greater the fruits it will produce. [Click here for more information and details on how to sign-up.](#)

CONFIRMATION & YOUTH MINISTRY REGISTRATION

The two-year process to receive the Sacrament of Confirmation is just one component of our Youth Ministry. Youth Ministry at Our Lady of Guadalupe goes beyond what one may learn in a religion class, and it strives to lead a young person to actually experience their faith and become true disciples of Christ. What is a Mass Intention?

When a Mass is celebrated, the priest can offer each celebration of the Eucharist for a particular person or intention. By doing so, special graces from God are applied upon that person or intention. This is an ancient tradition seen in St. Augustine's Confessions where St. Monica asks Augustine, "One thing only I ask you, that you remember me at the altar of the Lord." *If you would like to add someone please complete this form:*

Safeguard the Children

Avoiding sexting and building healthy relationships

When teens start dating, they often feel pressure to keep up with their peers and to explore new romantic feelings. But these feelings, combined with teenage hormones and decision-making capabilities, can lead to some poor choices, including sexting. Sending nude images is dangerous and puts the sender and the receiver at risk. Photos can be shared instantly on cell phones and social media, and once out there, the images never go away. Talk to your teen about the consequences of sexting and the importance of building healthy relationships where partners respect boundaries and don't ask for explicit images. For more information, visit <https://www.missingkids.org/content/dam/netSMARTZ/downloadable/discussion-guides/your-photo-fate-discussion-guide.pdf>.

Evitar el sexteo y construir relaciones saludables

Cuando los adolescentes comienzan a tener citas, a menudo se sienten presionados a mantenerse al día con sus compañeros y a explorar nuevos sentimientos románticos. Pero estos sentimientos, combinados con las hormonas adolescentes y la capacidad de tomar decisiones, pueden llevar a algunas malas decisiones, incluido el sexteo. Enviar imágenes de desnudos es peligroso y pone en riesgo al remitente y al destinatario. Las fotos se pueden compartir instantáneamente en teléfonos celulares y en redes sociales, y una vez allí, las imágenes nunca desaparecen. Platique con su hijo adolescente sobre las consecuencias de sextear y la importancia de construir relaciones saludables en las que sus parejas respeten los límites y no pidan imágenes explícitas. Para obtener más información, visite <https://www.missingkids.org/content/dam/netSMARTZ/downloadable/discussion-guides/your-photo-fate-discussion-guide.pdf>.
